Our Policies

All residents are responsible for **keeping the common areas in their apartments clean and tidy**. This includes shared spaces like kitchens, bathrooms, and living areas. **We regularly inspect rooms and apartments** for cleanliness, damage, and missing items. If the kitchen is not kept clean, the cleaning cost will be split among all residents. Any kitchen damage will also be shared unless someone takes responsibility.

- Please follow the kitchen **safety guide** displayed in each kitchen
- Empty the **bins** when they are full. Bins are located downstairs, near the car park.
- Always **store kitchen utensils**, cooking equipment and food after use.
- Please ensure your shower drain is not blocked. If it is, report it to Reception and refrain from using the shower until the issue is resolved to avoid flooding in your bedroom and bathroom.

- Please avoid **washing clothes** in your room. If you are drying clothes, keep your bedroom window open to prevent condensation.

Please ensure that **guests** don't stay for more than three consecutive nights. Please speak to the team and register any guests at Reception.

When coming in or out of your apartment, especially during the quiet hours (11 PM to 8 AM) keep **noise** to a minimum as others may be resting.

If you'll be **away from your accommodation** for more than 7 days, please inform our Residents' Team.

Ensure that all **heat-generating appliances** (curling tongs, hairdryers, toasters...) are plugged directly into a wall socket.

If you require **maintenance**, please contact us or report it to Reception.

If any **damage** occurs, notify us as soon as possible. Any damage to property may result in a charge, and in some cases, be considered a breach of your Tenancy Agreement.

Smoking and vaping are strictly forbidden in your bedroom, bathroom, kitchen, and in all communal areas. Please use the designated smoking areas. Smoking indoors is illegal in Ireland.

Please bag and tie all rubbish from your room. Separate bins are available for general **waste and recycling**. You'll need to provide your own bin bags. Do not leave rubbish in hallways—this is both unsightly and a fire hazard. Dispose of all rubbish in the designated refuse areas.

Emergency Guidelines

If you need an **ambulance** or discover a **fire**, call **999** or **112**.

If the **fire alarm** goes off, you must evacuate the building immediately. Do not run, and do not stop to collect belongings. Do not use the lift. For your safety, do not store any items near heaters or radiators. Keep the area directly in front and beside the heater clear, as stored items can create a serious fire risk.

Cooking is not permitted in your bedroom. Rice cookers, toasters, kettles, or other cooking equipment are fire hazards and cannot be used in rooms. Please be aware that false fire alarms may result in a charge from the Fire and Rescue Service.

Your Room

Located in a prime spot with easy access to all the major colleges, universities, and the city centre, Cork Street provides everything you need for an exceptional student experience! The vibrant Liberties neighbourhood offers a unique blend of old market streets, charming architecture, trendy cafes, and lively nightlife.
