This course offers a mix of group and individual classes and makes full use of the limited time available during a short stay. The course consists of 6 hours of tuition per day, 4 hours of general group tuition and 2 hours of specialised individual tuition.

In the morning, the general course covers the four skills of listening, speaking, reading and writing and is especially programmed to lead the students to communicate effectively in spoken and written English. In the afternoon, the individual lessons enable participants to work on any specific problem areas they may have and on their particular field such as Business English.
