Rose Bruford

The earliest recorded owner of the estate was Thomas Sparrow and his daughter Agnes built the first house there around 1513. The family sold the estate in the late 17th century, and the house and estate had several different owners, including Charles FitzRoy, the son of Charles II. The house was rebuilt in 1744 and formally laid out as a park.

It became a college in 1950, founded by Rose Bruford, a voice and speech dynamo who taught drama at the Royal Academy of Music. She set up her own school because she thought a drama school could be more than a finishing school and developed a unique course of actor training linked to teacher development. The college pioneered the first BA acting degree in 1976.

Facilities

The Rose Bruford accommodation is located directly opposite the train station which makes it very convenient travelling into central London as we explore all that London has to offer.

The College is set in Lamorbey Park, leafy parkland grounds dating back to before the 16th century with mature trees and a pond with fish and waterfowl. The large open grounds are fit for multi-purpose use such as football and volleyball.

There is a small theatre with 100 seats and a larger 330-seat theatre-in-the-round plus an outdoor stage.

Meals

Meals are provided in the college's café where students serve themselves from a salad bar with a variety of cold dishes and sandwiches or are served from the hot food servery by Rose Bruford staff. Three meals are served each day including plenty of salads and fruit.

Special dietary requirements can be catered for.

Arrival

When you arrive at the airport or train station, collect your luggage and exit through British customs. As you come out into the terminal, you will see a member of the Emerald Staff, wearing a staff t-shirt holding a sign with your name (or group name) on it. They will show you where the bathroom is if needed and then take you to your coach or taxi for your journey to the school.

First Day

You will have an English test on Monday morning which is just to see the best class for you (there is no pass or fail). After this you will have a full orientation of the school and will learn where all the classes, activities and meeting places are. You will also learn where all the out of bounds areas are and the school rules!

You will be given a wristband which you must wear at all times, especially on an external excursion as no student is allowed onto the bus/coach/train unless they are wearing one. This wristband has the emergency number on it which you can call if you ever get lost.

Timetable

You will have English classes most mornings (some groups will have special pre-arranged classes on other subjects) and an excursion into London most afternoons. In busy weeks you might have your excursion in the morning with your class in the afternoon. You should keep an eye on the noticeboard which tells you what is happening each day. In the evenings, we tend to do fun activities with everyone together such as Karaoke and talent shows... If you have a talent, we love to see it so come prepared!

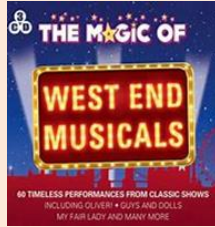

Who to speak to if you have a problem.

We expect you to have a wonderful time with us and to make many new friends. However, if you do occasionally feel a little homesick or have any other problems, there are several members of staff you can speak to who will help you. There is a Welfare Manager and Welfare Leaders at every centre and you will meet them on your first day. You can have a chat with them at any time. You can also talk to any adult you feel comfortable talking to such as your Teacher. We are here to help you!
